
Title: Honor

HONOR

Honor, the virtue of
courage and to defend
and uphold the truth -
the true definition of
a noble Paladin. The
city that claims this
purple shrine is the
fair city of Trinsic.
Shame is the
anti-virtue and is the
dungeon that
accompanies this
virtue. The shrine is
located in jungles
west of Trinsic, and it
is observed that while
in the Fell side the
shrine has turned a
shade of gold.

An honorable man is
always loyal to his
duties, companions,
and beliefs. He
never forsakes
them no matter
what the consequences
may be. It is in
Honor that a person
finds perseverance to
stay in the path of
light. For those
without Honor, the
quick and seductive
path of darkness may
seem tempting, but if
you wish to reap the
bounties of the path of
light your Honor must
protect you from any
distractions.
